Students receive a dental screening, fluoride varnish, and a dental cleaning.  
Dental sealants are applied on permanent molars for those who need them (usually over age 6).  
This program is not a replacement for your regular dentist.

### **ALL MUST SIGN - FOR CONSENT FOR DENTAL SERVICES**

**MUST BE SIGNED FOR CHILD TO BE SEEN!**

Of my own free will I consent to dental care which may include dental screening, fluoride, cleaning, and sealants given to minor child by Public Health Dental Hygienists staff or agents of this health department. NKY Health Public Health Registered Nurses may provide dental screening and fluoride only. I understand that no Guarantees are being made as to the effect of any exam or treatment on me. I also understand I may be tested for (HIV) infection, Hepatitis B, or any other disease carried by blood or body fluids if a health care worker is exposed to my blood, body fluids or tissue. This form, when signed and filled in, contains Protected Health information and the information is to be protected according to the health Insurance Portability and Accountability ACT (HIPAA). My signature below acknowledges my receipt of Northern Kentucky Independent District Health Department's newly revised "**NOTICE OF PRIVACY PRACTICES**" which is available on [www.nkyhealth.org](http://www.nkyhealth.org) or at your school's office.  
**I understand that no dentist is present for the dental procedures, and the public health dental hygienists are working under the supervision of Jack Lenihan, DMD, and Jonathon Rich, DMD. These services do not take the place of regular dentist visits, and all children will be referred to their own dentist for a full exam. I also understand that my child might receive fluoride 2 times during the school year and may be checked for the retention of any sealants placed during the following school year.**
