

JANUARY 23, 2020

6:30 - 8:30 P.M.

**PREVENT THE NEXT  
GENERATION OF ADDICTION:  
A FORUM TO STOP YOUTH  
VAPING**

E-cigarette use among youth is rising.\* In 2016, 7.7% of NKY 10th graders reported e-cigarette use in the past month. In 2018, reported use grew to 20.3%.

Join us on Thursday, January 23 at 6:30 p.m. to learn more about these products, why they are harmful for youth, and how to protect our children from this dangerous trend.

**FREE FOOD AND  
BEVERAGES**

**Featuring...**

- **Julie Kirkpatrick, a parent whose child was hospitalized due to vaping-related illness**
- **A panel of local experts in health care and public health, legislators and school officials**

**Special thanks to our partners:**
