

WHAT CAN I DO AFTER I AM FULLY VACCINATED?

Feel great about protecting yourself.

Gather indoors with other fully vaccinated people without wearing a mask.

Gather indoors with unvaccinated people from one other household (for example, visiting with relatives who all live together) without masks, unless any of those people or anyone they live with has an increased risk for severe illness from COVID-19.

No more quarantining unless you have symptoms or live in a group setting (jail, group home, etc.).

WHAT SHOULD I DO AFTER I AM FULLY VACCINATED?

When you are in public, you should continue to:

Wear your face mask.

Stay 6 feet away from others.

Avoid large gatherings.

Wash hands or use hand sanitizer frequently.

Stay home if not feeling well.
