

# COVID-19 BUSINESS GUIDANCE

*(Replaces COVID-19 Business Toolkit)*

\*Updated 5/12/2021

This document provides access to relevant COVID-19 information to assist businesses in operating safely during the pandemic while meeting Kentucky's guidance and requirements.

## Healthy At Work

All entities currently operating must meet certain minimum requirements in addition to any requirements and guidance specific to their industry sector. Link to Kentucky's Healthy-At-Work Guidance and related minimum requirements:
